Average CGPI of 7.6.

## PROFILE

Looking forward to an opportunity for working in a dynamic challenging environment where I can utilize my skills for developing my career and for the growth of the organization. Ambitious, Career-focused job-seeker, anxious to obtain an entry level job position to help launch career while achieving company goals.

## PROJECTS

1. Currently working on a Movie Recommendation System using Machine Learning.
  - Designing a cutting-edge Movie Recommendation System using Machine Learning, leveraging algorithms to analyze user preferences and genre preferences. This system enhances user experience by suggesting tailored film selections, promoting engagement, and delivering a personalized cinematic journey, creating a more immersive and enjoyable entertainment platform.
2. Developed a Student Management System using Java (Netbeans).
  - Designed and implemented a robust Student Management System in Java with NetBeans, offering functionalities for student enrollment, attendance monitoring, grading, and report generation. The system provides an efficient and user-friendly interface, empowering educators with effective tools for seamless student data management and streamlined administrative processes in educational settings.
3. Created a Number Guessing Game using Python (TKinter).
  - Developed an engaging Number Guessing Game using Python with TKinter. The application prompts players to guess a randomly generated number within a specified range. It features an intuitive graphical interface, providing an enjoyable user experience. The game enhances programming skills and offers an interactive introduction to Python GUI development.

## ACHIEVEMENTS & CERTIFICATES

Won 1st Price at Interschool Football Championship.  
Runners Up at District Level Football Tournament.  
Certification of React Native Course.  
Certification of IIRS(Indian Institute of Remote Sensing).

## EXTRA CURRICULAR

Participated in Maths quiz in Junior College.  
Participated in Dance and Fashion Show in Degree College.  
Participated in various sports during School and College.
